

Tournament Training Program & Program Fees

The Tournament Program will *now* be offered through private appointment *only* and begins in September and ends each June, except for National Championships, which are typically held in July and August. The year will be broken in to Trimesters as follows: Sept.-Nov., Dec.-Feb., and Mar.-June. AJK's will schedule a minimum of two tournaments between the three trimesters. Any additional tournament, which may include: States, National Qualifiers, and Junior's, AJK's will assess an athlete's readiness and then decided if he/she should participate in said event.

AJK's Tournament Program is *now* open to all belt levels in sparring and for levels blue or higher in forms; however, AJK's is not responsible for calling to schedule private tournament lessons with an athlete desiring to compete. This responsibility is *now* the athlete and athlete's family; however, AJK's *will* assess athletes who desire to compete during Taekwondo classes. Private lessons are offered on Thur., Fri., and Sat.

There will *no* longer be a trimester tournament training fee; however, AJK's coach (es) and parents of tournament athlete(s) will *now* be responsible for these tournament program expenses:
